

# Shark Attack Golf – Competition Rules & Info 2009

---

Due to the number of teams taking part this year we will be using Tee 1 & Tee 10 on the Lakes course. Teams playing off Tee 1 in the morning will tee off on Tee 10 in the afternoon and vice-versa. A mini bus and a transit van (to carry clubs etc) will run a shuttle service between the clubhouse and Tee 10 during the day. Please make sure you board the bus in sufficient time to be at the tee for your start time. The journey time is 10minutes

## Morning Round

### 9 Hole Texas Scramble

### Ladies Red Tees. Gentlemen Yellow Tees

- Format** Teams of three or four players playing their own ball throughout make up a team. Stroke Play rules apply. **Each player must have at least 2 tee shots to count**
- Handicap Allowance** The team handicap is 1/10 of the combined handicaps for four players or 1/6 of the combined handicaps for 3 players, then divided by 2 to reflect only playing 9 holes.
- Scoring** The team gross score **only** to be recorded at each hole. **This score will be entered to computer to produce result**
- Method** Each player drives from the tee. The preferred ball is then selected and marked. That player plays his/her ball. All other team members drop ( place on the green) their ball within a club's length of the marker, no nearer the hole and play on. On the green, place each ball at the same spot as the selected ball. Continue in this way until the ball is holed.
